

Salmon Arm

Salmon Arm is well known for its beautiful, lush setting amidst mountains, lakes and valleys, highlighted by the magnificent Shuswap Lake, which is bordered by more than 400 kilometers (250 miles) of navigable shoreline.

This town offers a wealth of recreational attractions, outstanding scenic beauty and a multitude of water activities. Other recreation includes 18-hole golf courses, hiking and mountain-biking.

Visitors can take advantage of the free summer entertainment at the wharf-side gazebo and experience the Western Grebe breeding habitat and other wildlife along the shoreline.
